## WORK ON PROGRAM

It is expected that Commander Cook will announce his various committeemen this evening, who will map out the busy program for Albany Post during the coming year. Among the events already listed at the annual Armistice Day dinner and dance, to be held in November at the Memorial Building, this is always one of the big social events in local Legion circles. Tentative plans for the Armistice Day fete have already been discussed by the retiring officers and will be taken under consideration by the incoming officials.

## Schools Seek Coordination

At a recent meeting of Superintendent Allen Keim with the three principals of the Albany school system plans were for closer coordination of instruction among the three school units. Arrangements were made for the appointment of faculty members within the three schools to work together on closer articulation of the work in the elementary schools with the work of the high school. Joint committees from the three schools will be appointed in arithmetic, social sciences, and English, to coordinate instruction in such a way that pupils entering the high school from either of the two elementary units may proceed smoothly into the secondary school program without loss of time or efficiency.

The proposed move to coordinate instruction within the three units is in line with recent efforts of the California State Department of Instruction to weld into a more unified whole the instructional forces of the elementary and secondary schools, stated Superintendent Keim. "We regard the school system as one of the largest and most important single enterprises of the community," said the superintendent, "and the present move is only one of many we hope to make in order to render our work as efficient as possible."

Mr. and Mrs. Gerald Browne of 14 Madison Street were hosts at card party last Sunday evening.

Lists Events on

A varied and interesting program

gregation of the Albany Baptist  
Church according to Duncan Neill,  
who listed the coming events as  
follows:

cisco and Bay Cities Union at the  
First Baptist Church in Oakland,  
starting at 10 o'clock this morn-  
ing and lasting until 9:20 p. m. All  
members of the Albany church are  
invited to attend.  
Rally day on Sunday, September  
19 starting off with a special  
church school session at 9:45 in  
the morning.

An anniversary church dinner to  
be given on Tuesday evening,  
September 21 at 6:30 o'clock com-  
memorating the first year of wor-  
ship in the new church building.  
Mrs. Duncan Neill, Mrs. Wallace  
Reid and Mrs. William C. Welch  
will be in charge. There will be  
a fee of 35 cents for adults and 20  
cents for children. Motion pictures  
will be supplied by the Salvation  
Army.

A regular weekly event is the  
Bible study class which meets at  
the church every Wednesday eve-  
ning at 7:45 o'clock.

**After MacGregor Parties Saturday**

"I had such a good time," little Audrey Blackburn, 2½, is  
telling Mrs. Beatrice Raymond, who was in charge of the two  
successful theater parties given last Saturday by Charles M.  
MacGregor, local building contractor. More than 1100 chil-  
dren of this city enjoyed the two affairs, it is estimated.

**AT ALBANY HIGH SCHOOL**

By **BILL SAVAGE**

**Student Body**  
The Student Body of Albany  
High is made up of all students  
who attend the school and have  
paid the semester's dues of 50  
cents. The group sponsors dances  
which only members may attend  
and assemblies to which only mem-  
bers are invited. The paying of  
dues and receiving of a Student  
Body Card is carried on before and  
after school.

Some of the privileges realized  
with a membership card are a five  
cent reducing at pay assemblies  
and at the Albany Theatre. The  
greatest saving is at football games  
where the price of admission is  
twenty-five cents less for Student  
Body members.

**Assemblies**  
The students of Albany High  
are to be entertained by 10 as-  
semblies this semester. This num-  
ber includes: three pay assemblies,  
one for girls only, one for boys  
only, an Armistice Day assembly,  
the annual "Book Week" assem-  
bly, and an assembly at which a  
symphony orchestra will be the  
main feature.

Because of the large enrolment  
and the relatively small auditorium  
in the Veterans' Memorial Build-  
ing, the school is split into two  
smaller groups and an identical as-  
sembly is held for each group.

**Building Continues**  
Now that the plasterer's strike  
is over the buildings at Albany  
High are humming with activity  
again. As soon as the plasterer's  
finish their part of the work the  
carpenters will return and complete

the task of buildings cabinets,  
shelves, and other woodwork. This  
will take about four weeks. The  
building is expected to be opened  
to classes at the end of October.  
The lower floor of this building  
is being used by the students and  
they seem very well pleased. Not  
letting the students outdo them,  
the office staff, student counselors,  
and Principal Charles A. Moore  
are proudly talking of their new  
rooms and offices.

**Board of Control**  
The Student Body board of con-  
trol, a newly organized ruling body  
at Albany High, held its second  
meeting of the semester last Mon-  
day. The purpose of the board  
is to act as the ruling body for the  
students. Heretofore the student  
counsel, made up of one repre-  
sentative from each class and the  
Student Body officers with Mr.  
Moore, was in charge of the stu-  
dents' affairs. With so many mem-  
bers the counsel was handicapped  
because of the time required for  
discussions and voting.

The business carried on at the  
meeting included the voting of  
funds for the purchase of 24 new  
jerseys for the football team. The  
money provided by the school dis-  
trict for the outfitting of athletic  
teams does not include the pur-  
chase of jerseys, socks or shoes.  
These must be purchased by the  
Student Body. The question of  
price of admission to A.C.A.L.  
football was brought up and the  
price set by the board is 40¢ for  
adults and 15¢ for members of  
Albany and other A.C.A.L. schools.

**A SAFER TIRE**

**GOODRICH DID IT—AND WE HAVE IT**

**CARS** have been made safer;  
highways improved—still  
thousands are killed or injured  
every year in blow-out acci-  
dents! Realizing that the terrific  
heat generated inside all tires  
at high speeds was the great un-  
seen cause of blow-outs, Good-  
rich engineers set to work to  
develop a safer tire—a tire that  
would give real blow-out pro-  
tection.

Their answer was the Good-  
rich Silvertown with the Life-  
Saver Golden Ply. The Golden  
Ply is a layer of special rubber  
and full-floating cords, scientifi-  
cally treated to resist this terrific  
blowout-causing heat. And  
think of it! The Goodrich Safety  
Silvertown is the only tire in  
the world with this Life-Saver  
Golden Ply. Play safe. Come in

protects you against dangerous

Among the throngs watching the "Old Timers" fourth annual celebration in Benicia last Sunday were Mrs. Mildred Wagner and children, Helen and Kenneth, who reported seeing picturesque old costumes worn by General Sherman's wife and other pioneers, as well as a float depicting the first class of Mills College students.

Mrs. Fred Repp was hostess to the Sigma Tau Chapter of the Delphian Society at her home, 1141 Marin Ave., last Tuesday morning.
